TOP FEATURES

ATTENDANCE
You can now monitor/track your ward's daily attendance here.

HOMEWORK
You will now have proper update of your ward's homework daily.

ANNOUNCEMENT
You will receive Information related to some immediate School holidays, Programs, Functions, Competition results, etc. from Principal's Office.
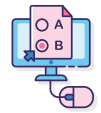

REPORT CARD
You will be able to view/download your ward's report card & also download the admit card from here.

ANNUAL CALENDAR
The annual calendar will have all the pre-defined holidays & exam routine for the session which normally you were seeing it in the School's diary.

ONLINE EXAM
Now your ward can attend the online exam both Objective & Subjective even sitting at home/remote places.

FEE PAYMENT
You can now make online fee payment for your ward by 40+ payment options but please prefer Net banking or UPI for lower service charges in simple steps & can also view/download the Fee receipt.

BUS LOCATION
Those parents whose wards are availing bus services can track the live location of the bus now & by doing so you don't need to wait in the stop for long hours to pick up your child.

NOTICE BOARD
In here you will get long written information or attachment like Covid-19 protocols (in present situation), admission forms, forms for any competition, etc. from Principal's Office.

ONLINE CLASS
If incase there is another lockdown situation then your ward can attend live classes here via Zoom, Google Meet, Skype, etc. Live classes will not be just an online class but an interactive online class.

E-CONTENT
You will mostly get attachment here for your ward like Images, Videos, Audios, PDF, PPT, Doc file, Text, Educational video link & also project/assignment from the teachers. Your ward will also be able to submit back the project/assignment through here.

APPLY LEAVE
With the help of Online apply leave, now you don't need to visit the school just to submit an application for your wards leave but can apply directly online. You will also get the response of Approved/Not approved through here.
