

## **HOLY CROSS SCHOOL, AGARTALA**

Dear parents/ Guardians and students

We are forced to **prepone** (anticipate) Half yearly examinations by one week due to the conduct of ICSE and ISC board examinations held in the month of May-June, as we are to follow special SOPs of the pandemic during the conduct of these board Examinations.

In case of reduction in syllabus is required for various subjects, it will be revised and informed to students well in advance. Half Yearly Examinations will be held offline only.

It is noticed that due to circulation of class notes and other study materials online, students are not writing down their notes in their notebooks/workbooks during the class hours. All the students are expected to Write down and complete their notes/Homework etc and submit the notebooks to respective teachers on specified dates for correction and evaluation. 10 Marks per subject will be allotted for maintenance of notebooks and the marks will be added to the respective subjects in the final examination.

Handwriting will be a separate grade subject for classes V - VIII. Grades will be reflected in the report card.
