

Farewell to ICSE & ISC – 2016 Students

It is always very painful to bid farewell to our beloved ones. Our students whom we taught during the last 12 to 14 years are now ready to leave their Alma-Mater for pursuing their career. Our student fraternity organized a wonderful cultural programme on Jan 30th 2016 to express their sentiments of love and affection. All the students were felicitated with a gift and a memento. We wish our students all success in life.

Carrier Guidance and counseling seminar

A seminar was held on the 8th and 9th Feb, 2016 for the students of Classes VIII to XII by Mrs. Salony Priya, a well known positive psychologist and counsellor from UMEED, Kolkata. The children benefited from this seminar as they were able to clarify their doubts pertaining to age. She also took out a little time to meet the school counselors and gave an insight into guidance of present day children.

BEYOND CURRICULA

ICSE and ISC Examinations

29th February 2016 – ICSE & ISC 2016 took off on a solemn note. For the first time the students used the new air-conditioned hall in the Marcil Block. 243 students appeared for the ICSE and 117 students were there to partake in the ISC (Science & Arts). Years of hard work, training and commitment were finally put into practice.

Bulletin boards were presented on Three themes: An Act of kindness is All the World Needs (February 2016) and Upliftment of Woman is the Upliftment of the Nation (March 2016) and all are equal in the eyes of God (April 2016). All the eight Houses presented these themes on their respective boards as well as at the morning assembly very appropriately. Mother Teresa was a favourite with almost all the Houses as the icon of kindness while Malala Yousafai received indulgence as the symbol of an elevated woman. These themes were presented by the students of Classes XII and X respectively.

ENGINEERING EXCELLENCE

Farewell and Welcome

Meeting and Parting are part and parcel of our lives.

On 8th April 2016, all the Holy Crossians assembled to thank our beloved principal Rev. Fr. Kanikkai Jeyaraj csc for all the service that he rendered to this institution. Through a small touchy and meaningful programme the students tried to depict all his attributes. We affectionately welcomed our New Principal Rev. Fr. Bobby John csc, who is indeed energetic, simple but firm in his speech and action. We wish him all success.
